

REGIONAL DISTRICT OF BULKLEY-NECHAKO REQUEST FOR QUOTES

September 21, 2022

RFQ: Two New Wheeled Skid Steers

The Regional District of Bulkley-Nechako (RDBN) would like to purchase two (2) new mid-to-heavy skid steers to be used for moving waste, loading pallets, clearing snow, and yard maintenance at RDBN Waste Transfer Stations. The preferred skid steer would include the following features and capabilities:

Features
• Tipping Load: 2,500 kg range
• Operating Weight: 8,000 lbs range
• Horsepower: 70 hp range
• Wheeled
• 4 x solid rubber tires
• Rear back-up camera with 8 inch screen
• Block heater
• Air conditioning
• Can be supplied within one (1) month of award

Please indicate in the quote where the nearest warranty-certified service providers are to the following communities: Smithers, Houston, Burns Lake, and Vanderhoof.

If possible, please indicate in the quote your proposed trade-in value for a 2019 Kubota L4760 with 2200 hours.

Quotes will be evaluated based on the included features, service package, local serviceability, and price.

Quotes for Skid Steers meeting the above specifications will be accepted until 3:00pm October 14, 2022 and can be submitted to bid@rdbn.bc.ca.

Questions can be directed to Alex Eriksen, Director of Environmental Services via phone at 250-692-0883 or via email at alex.eriksen@rdbn.bc.ca.
