Signature of Electoral Area Director

APPLICANT PROFILE

1. Please describe the services/benefits that your organization provides to the community. Are these services/benefits available to the community from another organization or agency?

SLSA provides activities to benefit and enhance the health and well being of the aging population living in Fort St James and surrounding areas. The annual Strawberry tea allows seniors and elders an opportunity to interact with one another, and share stories. There are no services like this provided in the community.

2. Describe the geographic area that receives services or benefits from your organization.

Fort St. James, Nak'azdli reserve and regional district of Buckley-nechako area C receive these services. In the area there is approximately 4200 residents with about 10% of the population over the age of 65. This number is expected to grow to approximately 32% over the next decade as per stats canada 2011 census.

3. Is your organization voluntary and non-profit? YES NO

Please detail any remuneration paid, or funds otherwise made available to members, officers, etc. of your organization.

This is a non-profit organization. 100% volunteer time, therefore there is no remuneration.

Please comment on the number of members/volunteers in your organization and how long your organization has been in operation.

There are 80+ members. The organization has been in operation since July 21, 1983.

PROJECT/PROPOSAL PROFILE

1. Assistance is being requested for:

- capital project and/or equipment
- special event
- other purpose (_____)

2. Please describe the proposal for which you are requesting assistance. If you are applying for an exemption from fees and/or charges or other consideration, please provide details or your request here. Attach additional information if required.

The strawberry tea recognizes seniors and elders in our area. This annual event allows the opportunity for the community to show appreciation for what the seniors and elders contribute to the community. Seniors also have an opportunity to interact and meet other seniors and elders. Seniors helping seniors will be providing transportation.

3. Describe how this proposal will benefit the community.

Elders and seniors are given a chance to visit with old friends and create new ones. Ones who are shut ins have an opportunity to get out as seniors helping seniors will provide transportation. It is well known how isolation can adversely affect an individuals mental and emotional well being, and this ability to get out helps promote the well being of these ones as it help stave off some of the loneliness they may feel.

Funding and Financial Information

1. Attach supporting financial information, ie., budget/financial report. Ensure the following information is clearly itemized:
 - Total cost of project/proposal;
 - Grants/funding from other sources;
 - Funding contributed by applicant through funding raising activities or other sources of revenue;
 - Total expenses for the fiscal year, including any monies and/or benefits paid to members or officers.

2. Have you applied for a grant/funding from other source(s)?
 _____ YES NO

If yes, complete the following chart. **If not**, please comment.

APPLICATION PROFILE

Is your organization voluntary and non-profit?:

Yes

Please describe the services/benefits that your organization provides to the community. Are these services/benefits available to the community from another organization or agency?

This will be the sixth annual Music on the Mountain, (MoM) festival, held at Murray Ridge Ski Area each August. In addition to the main event, we hold workshops, concerts and other events throughout the year. No other organization brings this level of variety and quality art to the community.

Describe the geographic area that receives services or benefits from your organization.

Our programs benefit a large regional area that includes hiring performers from Terrace, Smithers, Fraser Lake, Fort Fraser, Prince George, Vanderhoof, Dunster, Fort St. James and beyond. As well, we hire production teams, sanitary services, tent rentals and venue rentals from all over the region. Patrons come from all over Canada, with most coming from within RDBN.

Please detail any remuneration paid, or funds otherwise made available to members, officers, etc. of your organization.:

All members and officers of the Society work strictly on a volunteer basis. There are no funds paid to directors or members.

Please comment on the number of members/volunteers in your organization and how long your organization has been in operation.:

This is our fifth year as a registered society. There are seven directors, about 30 members, and about 100 volunteers.

PROJECT PROPOSAL PROFILE

RDBN Assistance Requested:

special event

Other Assistance Requested:

Please describe the proposal for which you are requesting assistance. If you are applying for an exemption from fees and/or charges or other consideration, please provide details of your request here. Attach additional information if required:

The festival brings music, visual arts, film, poetry and culinary arts from all over Canada and some from as far as Australia, and we hire local and regional artists as well. The cost of bringing this world class event to our area includes professional fees paid to performers, production costs, site rental from the ski hill, hospitality, insurance, transportation, marketing, and more.

Describe how this proposal will benefit the community:

Last year we spent over \$12,000 within the community of Fort St. James alone. We rent from the ski hill society, purchase our food within the region, hire vendors from the region, plus we bring in hundreds of people for a multi-day event. In addition to the economic benefits of the event, we provide mentorship and education for youth, including school programs and music workshops. Several regional performers got their start with our festival and have moved on to successful careers in the arts. We promote the ski hill, in which many people who come to the fest return in the winter to enjoy Murray Ridge, wherein they would not have otherwise seen the beauty of the venue. We believe in Art as Conflict Transformation, and that art improves the health and well being of the community.

MEMORANDUM

To: Rural Directors
 From: Maria Sandberg, Planner
 Date: April 30, 2015
 Re: Land Referral File No. 6408811

This application is regarding a Licence of Occupation for transportation purposes on Crown Land. The application area is located approximately 12 kilometres east of the Village of Telkwa and is 5.4 ha in size. The applicant wishes to access their private land from Deception Lake FSR by upgrading an existing skid trail and constructing a new portion of road, for a total of 2.7 kilometres. The road will be used year round by farming equipment. A culvert will be installed at the deJong Creek crossing.

The application area is zoned Agricultural (Ag1) in Regional District Zoning Bylaw No. 700, 1993, and is within the Agricultural Land Reserve (ALR). The applicant is advised to consult with the Agricultural Land Commission regarding the construction of the proposed roadway.

Recommendation

That the attached comment sheet be provided to the Province as the Regional District's comments on Crown land application 6408811.

MEMORANDUM

To: Rural Directors
 From: Julie Thompson, Planning Technician
 Date: May 4, 2015
 Re: Land Referral for Recreation Purposes

This referral is regarding an application made by the Province regarding the expansion of an existing recreation site on Crown Land. The proposed expansion is located on Richmond Lake, 28 kilometres southeast of the Village of Burns Lake.

A referral was sent to the Planning Department for comment in January, 2015, regarding the construction of a new access road to the property. Construction of the access road was proposed for the summer of 2015, subject to funding.

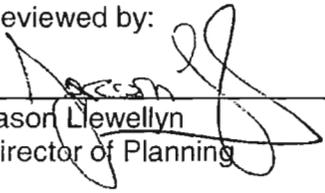

The referral also notes that Richmond Lake is a stocked lake and that increased pressure on stocked lakes is beneficial as it reduces the pressure on wild stocks.

The application area is zoned Large Holdings (H2) in Regional District Zoning Bylaw No. 700, 1993. The Planning Department has no concerns regarding this application.

Recommendation

That the attached comment sheet be provided to the Province as the Regional District's comments on Crown land referral regarding Richmond Lake recreation site expansion.

**REGIONAL DISTRICT OF BULKLEY-NECHAKO COMMENT
SHEET ON CROWN LAND REFERRAL
Richmond Lake Access – Jan 2015**

Electoral Area:	B
Applicant:	Province of BC
Existing Land Use:	Vacant
Zoning:	Large Holdings (H2) in Regional District of Bulkley-Nechako Zoning Bylaw No. 700, 1993
Plan Designation	Resource (RE) in the Burns Lake Rural & Francois Lake (North Shore) OCP
Proposed Use Comply With Zoning:	Yes
If not, why?	
Agricultural Land Reserve:	Not in the ALR
Access Highway:	Highway 16 and Priestly Station Rd
Archaeological Site:	Not according to our mapping
Building Inspection:	In the building inspection area
Fire Protection:	Outside of Rural Fire Protection area
Other comments:	None

Currently the Richmond Lake Site is described as:

- Two Unit site on a small lake,
- best suited for day use.
- Access by 4-wheel drive, hike or ATV; road not maintained.

Planned Upgrades to Site include:

- New Road access
- Expansion of recreation site
- Two to Four unit Site
- Day use area & Parking area
- Improve Boat Launch to facilitate easier access for Fish stocking & Car Top boat launch.
- New outhouse & Picnic Tables including an universally accessible site & OH (for folks with limited mobility).
- Install information Kiosk

Rec Site geomark: <http://apps.gov.bc.ca/pub/geomark/geomarks/gm-B1F569BF06904B3FA3646A7F815C7FFA>

The proposed Richmond Lake access is 3km of new road construction to replace an access that was through private land and has been recently cut off by the land owner. The terrain is stable with one stream crossing, the design is not complete on the crossing, however it will be installed in accordance with the stream crossing guidelines. The right of way width is 25 meters and the finished road width will be 5 meter gravel surface.

Construction is proposed summer 2015 subject to funding availability, estimated cost \$200,000

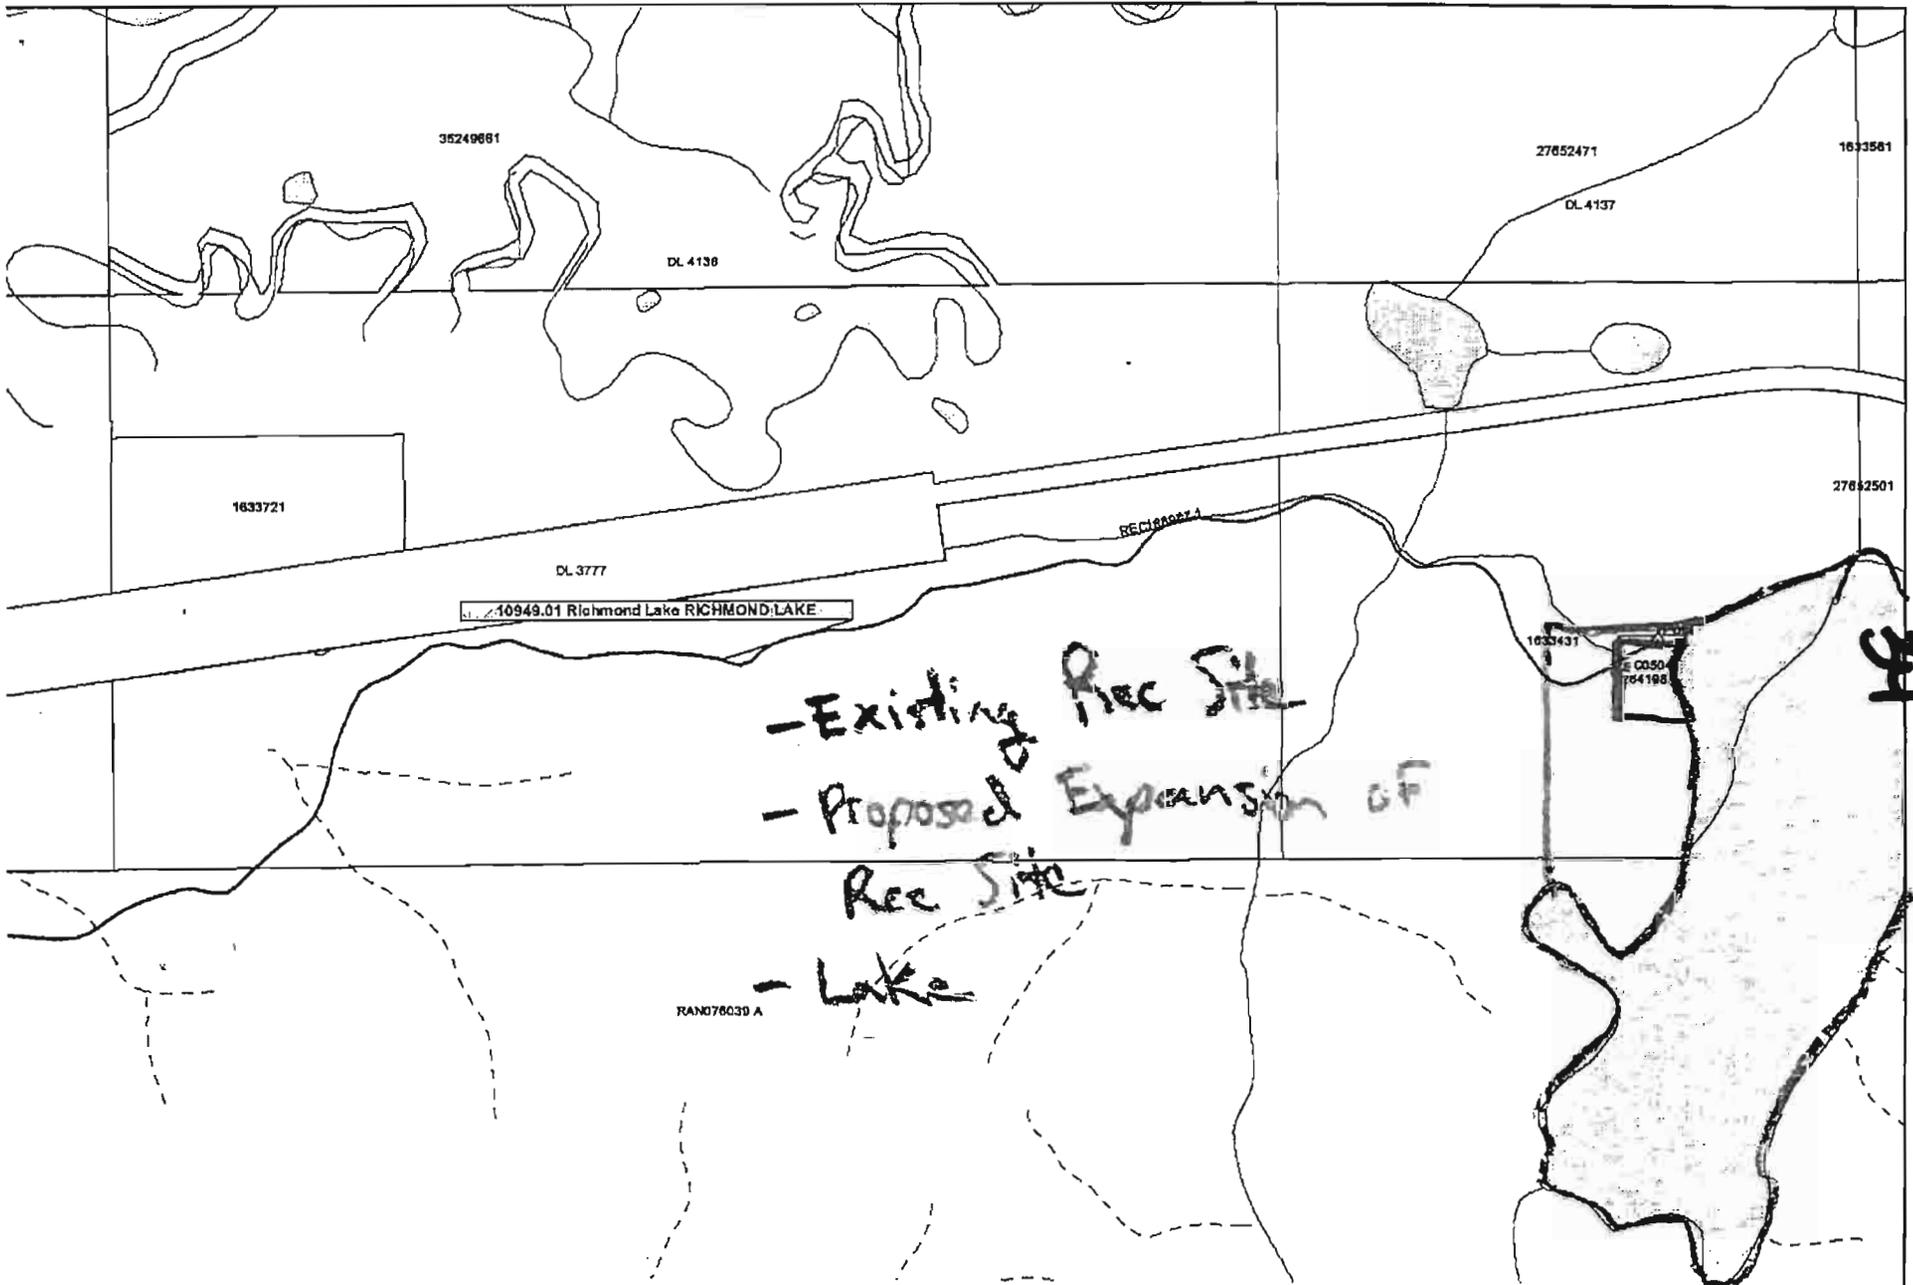

Richmond Lake Background:

- Due to change in property ownership public access no longer exists, however, access has been a challenge for many years
- Richmond Lake has a unique chemistry & quite productive
- Currently a stocked lake, if public access is not restored the stocking program will not continue.
- New lakes are rarely added or re-included in the stocking program, if access is not re-established a lost opportunity for anglers in the area
- Fisheries program generally considers increased pressure on a stocked lake beneficial as it can reduce pressure on wild stocks.

Road access geomark: <http://apps.gov.bc.ca/pub/geomark/geomarks/gm-83702E76A81B4B4CBBE606CD6BB21A0A>

Re: Land Referral File No. 7409769

This application is regarding an application for a Section 16 Map Reserve for a till pit borrow reserve for sand and gravel as part of the Bralorne Mine Reclamation Project. The Bralorne-Takla Lake mine operated primarily during the Second World War and was not properly decommissioned. The Crown Contaminated Sites Program, MoFLNRO, in conjunction with the Takla Lake First Nation, is working on a remedial plan for the site.

The application area is located approximately 137 kilometres northwest of the District of Fort St James and is ± 13.8 ha in size. Extraction of gravel is proposed to occur between June 2015 and October 2015, for a total of 30,000 m³. Gravel will be transported to the mine site for use in its reclamation.

Location Map

The application area is not zoned. According to our mapping there are no residences near the application area.

Recommendation

That the attached comment sheet be provided to the Province as the Regional District's comments on Crown land application 7409769.

 Re: Mines File No. 13390-04-426 & 427 (Woolverton)

This application is regarding a renewal of two Placer Minerals Leases. The leases are located south of the rural community of Manson Creek, approximately 135 kilometres north of the District of Fort St James. The leases were originally issued for a 10 year term and the proponents are asking for a 10 year extension.

The application area is not zoned.

Recommendation

MEMORANDUM

To: Rural Directors
From: Maria Sandberg, Planner
Date: May 1, 2015
Re: Land Referral File No. 7409741- amendment

This application was originally referred to the Regional District in October 2014 regarding an amendment to an existing Section 16 Map Reserve application for Aggregate and Quarrying purposes made by the Ministry of Transportation and Infrastructure (MoTI). The purpose of the application is to meet the long term objective of the MOTI to identify and secure quality aggregate sources for the ongoing maintenance of the highways. The application area is located close to the Stellako River, 5 kilometres southwest of the Village of Fraser Lake.

The previous application area was 108.94 ha in size and the majority was located on lands zoned Recreational (P2) and designated as Parks and Recreation in the Endako, Fraser Lake, Fort Fraser Rural Official Community Plan. The purpose of this designation is to protect areas having significant recreational or environmental attributes. The Regional District objected to the application as the land is identified as appropriate for park or recreation purposes and the natural character and recreational resource of the Stellako River should be protected.

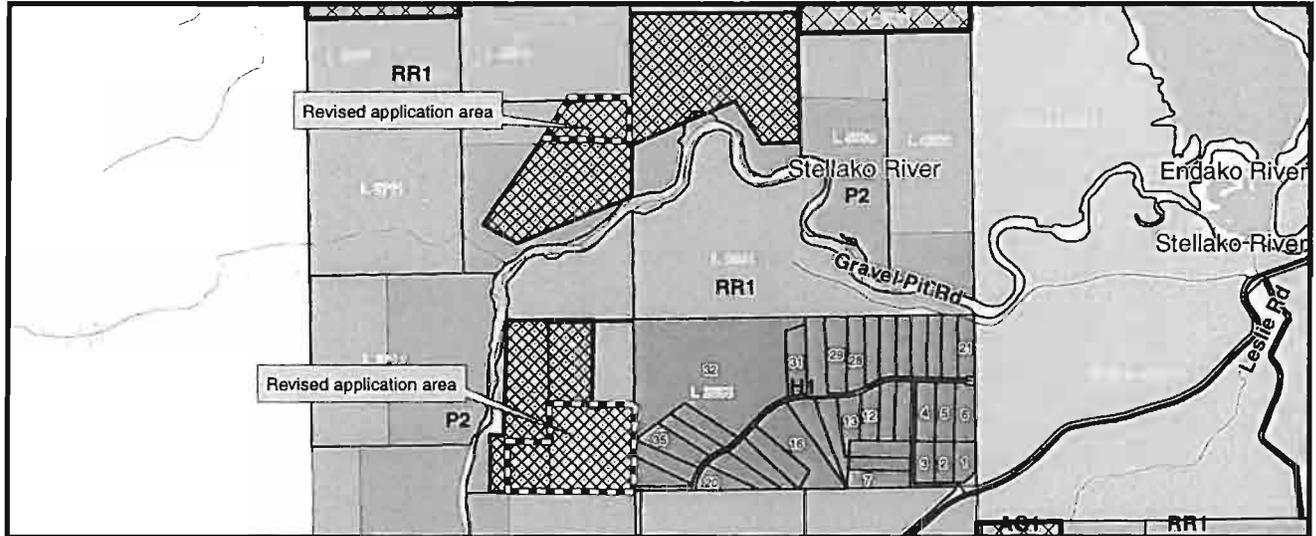

Location Map

The current referral application area has been reduced to 27.735 ha in size, and away from an existing Wildlife Management Area held by the Ministry of Environment, which was previously included in the application area. The majority of the reduced application area is

located on lands zoned RR1 and not adjacent to the Stellako River. A portion of the southern application area is located on lands zoned P2 as can be seen on the map below, and designated as Parks and Recreation.

Zoning Map

The amended referral area is an improvement to the previous proposal, however, some lands zoned P2 are still within the proposed Section 16 Map Reserve application area for Aggregate and Quarrying.

It is noted that sand and gravel extraction are not subject to Regional District Zoning.

Recommendation

That the attached comment sheet be provided to the Province as the Regional District's comments on Crown land application 7409741.

Rural Directors – All/Directors/Majority

REGIONAL DISTRICT OF BULKLEY-NECHAKO COMMENT SHEET ON CROWN LAND REFERRAL 7409741

Electoral Area:	D
Applicant:	Ministry of Transportation and Infrastructure
Existing Land Use:	Vacant
Zoning:	Rural Resource (RR1) and Recreational (P2)
Plan Designation	Resource (RE) and Parks and Recreation (P)
Agricultural Land Reserve:	Not in the ALR
Archaeological Site:	Not according to mapping that was provided to the Regional District by the provincial Archaeology Branch.
Building Inspection:	Not within the building inspection area
Fire Protection:	Not within a Rural Fire Protection Area
Other comments:	The part of the application area that is zoned P2 is designated as Parks and Recreation in the Endako, Fraser Lake, Fort Fraser Rural Official Community Plan. The purpose of this designation is to protect areas having significant recreational or environmental attributes, as the land is identified as appropriate for park or recreation purposes and the natural character and recreational resource of the Stellako River should be protected. Therefore, the Regional District of Bulkley-Nechako recommends that the lands zoned P2 be removed from the proposed Section 16 Map Reserve for Aggregate and Quarrying.

 From: Maria Sandberg, Planner
 Date: April 30, 2015
 Re: Land Referral File No. 7409781

This application is regarding the direct sale of Crown Land for extensive agricultural purposes. The application area is located on Finmoore Rd, approximately 24 kilometres east of the District of Vanderhoof, and is 64.72 ha in size. The applicants are applying for Crown land to be cleared for forage production. The applicants' farm is located on Sturgeon Point Rd on the other side of the river, which is within the 15km of the application area as per the eligibility requirement in the Agricultural Policy.

The application area is within the Agricultural Land Reserve (ALR), and is zoned Rural Resource (RR1). The minimum parcel size at subdivision in the RR1 zone is 28 ha (69 acres). Agriculture is a permitted use in the RR1 zone and the proposed agricultural use of the application area complies with Regional District Zoning Bylaw No. 700, 1993.

 Re: **Land Referral File No. 7409778**

This referral is regarding a Notation of Interest on Crown land for a trap line cabin. The applicant is the Ministry of Forests, Lands and Natural Resource Operations. The application area is located near Floyd's Bog, 30 kilometres northwest of the District of Vanderhoof and is 0.25 ha (50 metres by 50 metres) in size.

Notations of interest for trap cabins are indefinite "reserves" established to ensure that the lease holder gets a referral regarding any future *Land Act* dispositions in the area of the cabin site, and to make sure there is no existing conflict. Trap line holders can come and go, so the holder of the NOI is the Ministry, not the person holding the trap line.

Location Map

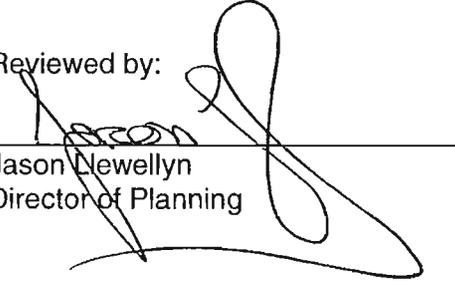

The application area is not zoned.

Recommendation

That the attached comment sheet be provided to the Province as the Regional District's comments on Crown land application 7409778.
