REGIONAL DISTRICT OF BULKLEY-NECHAKO

ZONING BYLAW NO. 700, 1993

A bylaw to establish zones and regulate within the zones:

- (i) the use of land, buildings and structures,
- (ii) the density of use of land, buildings and structures, and
- (iii) the siting, size and dimensions of buildings, structures and uses permitted on the land.

In addition, the bylaw regulates the shape, dimensions and area of parcels of land that might be created by subdivision.

WHEREAS the Regional Board may, by bylaw adopted pursuant to Sections 903, 906, 909 and 910 of the Municipal Act, establish zoning, off-street parking, screening and floodplain management regulations;

AND WHEREAS the Regional Board deems it desirable to replace the existing zoning bylaw, cited as "Regional District of Bulkley-Nechako Zoning Bylaw No. 18, 1970";

NOW THEREFORE The Board of Directors of the Regional District of Bulkley-Nechako in open meeting assembled enacts as follows:

SECTION 1 - TITLE AND REPEAL

- 1.01 This bylaw may be cited as "Regional District of Bulkley-Nechako Zoning Bylaw No. 700, 1993."
- 1.02 Regional District of Bulkley-Nechako Zoning Bylaw No. 18, 1970 and all amendment bylaws thereto are hereby repealed.

SECTION 2 - INTERPRETATION

SECTION 3 - ADMINISTRATION AND ENFORCEMENT

3.01 Application

This bylaw shall be applicable within the entire area of the Regional District of Bulkley-Nechako as defined by the Letters Patent.

3.02 Administration

- (1) The Building Inspector, Director of Planning or such other person appointed by the Board of the Regional District of Bulkley-Nechako shall ascertain whether this bylaw is being observed.
- (2) Persons appointed under subsection (1) may enter any land, building or premises at any reasonable time for the purpose of ascertaining whether this bylaw is being observed.

3.03 Prohibition

Subject to the provisions of the Local Government Act respecting nonconforming uses, land shall not be used, nor buildings and structures constructed, altered, located, or used contrary to this bylaw.

3.04 Nonconforming Uses

Nonconforming uses of land, buildings and structures, as well as siting, size or dimensions of buildings, structures, and off-street parking and loading spaces is governed by Section 911 of the Local Government Act.

3.05 Violation

- (1) No person shall cause, suffer or permit any building or structure to be constructed, reconstructed, altered, moved, extended or used, or land to be used, in contravention of this bylaw or otherwise to contravene or fail to comply with this bylaw.

- (2) No person shall prevent or obstruct any official appointed under Section 3.02 of this bylaw from the carrying out of their duties under this bylaw.

3.06 Penalty

A person who violates any provision of this bylaw commits an offence and is punishable in accordance with the Offence Act.

3.07 Severability

If any section, subsection, paragraph, subparagraph or clause of this bylaw is for any reason held to be invalid by the decision of any court of competent jurisdiction, such decision does not affect the validity of the remaining portions of this zoning bylaw.

3.08 Appeal

Application may be made to the Board of Variance, as established by the Regional District of Bulkley-Nechako, to appeal requirements of this bylaw where a person alleges that:

- (a) compliance with
- (i) the bylaw respecting the siting, dimensions or size of a building or structure, or the siting of a manufactured home in a manufactured home park,
 - (ii) the prohibition of a structural alteration or addition under Section 911(5) of the Local Government Act, or
 - (iii) a subdivision servicing requirement under Section 938(1)(c) of the Local Government Act in an area zoned for agricultural or industrial use,
- would cause him undue hardship, or
- (b) the determination by a building inspector of the amount of damage under Section 911 (8) of the Local Government Act is in error.

3.09 Amendment

An application for rezoning shall be treated as an application to amend this bylaw pursuant to Sections 892 and 894 of the Local Government Act, and Regional District of Bulkley-Nechako Bylaw No. 621 and any amendment bylaws thereto.

SECTION 4 - GENERAL PROVISIONS

4.01 Use of Existing Parcels

Any parcel of land shown on a plan duly filed in the Land Title Office prior to the enactment of this bylaw which does not conform to parcel area requirements or lake frontage requirements of this bylaw may be used for any of the uses permitted in the zone within which it has been located at the time of enactment, provided that all other provisions of this bylaw are met and the method of sewage disposal is in compliance with the Health Act or the Environmental Management Act.

4.02 Permitted Uses In All Zones

The following uses are permitted in all zones:

- (a) unattended public service or utility buildings and structures having no exterior storage of any kind;
- (b) parks and ecological reserves;
- (c) forestry lookouts.
- (d) Public Utility Use is permitted in the Large Holdings Zone (H2) on lands designated Ski Smithers Development Area in the "Smithers Telkwa Rural Official Community Plan".
- (e) A Structure with a Total Floor Area of 55 square meters (592 ft²) or less used only for storage not associated with any commercial operation or business.

4.03 Home Occupations

A home occupation, where permitted, is subject to the following requirements:

- (i) it is carried on by members of the family owning and residing in a dwelling unit on the same parcel or with the assistance of not more than one person who does not reside in a dwelling unit on the same parcel;
- (ii) it is conducted wholly within a dwelling unit or accessory building, except for day care use, and there shall be no external storage of material, containers or finished products other than the parking and storage of commercial vehicles and pieces of heavy equipment either of which shall not be restricted as to number or location on the property and shall include the repair thereof whether or not this repair occurs within an enclosed building;

- (iii) where the home occupation is being conducted on a parcel which is less than two hectares (4.94 acres) in area, the floor area of the dwelling unit or accessory building which is devoted to a home occupation shall not exceed 55 square metres (592 ft.2). There is no floor area restriction relating to home occupations conducted on parcels larger than two hectares (4.94 acres);
- (iv) the use shall not create any off-site parking, excessive customer or service traffic nor shall it become or create a nuisance of any kind, by any means;
- (v) the home occupation shall not produce noise, vibrations, smoke, dust, odour, litter, or heat, other than that normally associated with a dwelling, nor shall it create or cause a fire hazard or electrical interference in excess of what normally occurs in the residential area;
- (vi) a home occupation does not include Cannabis Production.
- (vii) notwithstanding subclause 4.03(iii) the floor area of the accessory buildings which are devoted to a home occupation on the land described as Lot 1, Section 10, Township 1A, Range 5, Coast District, Plan 5829 shall not exceed 453 square metres;

and, notwithstanding subclause (i) to (vi), may include bed and breakfast accommodation.

4.03A

Derelict Vehicles

- (1) The storage of more than two derelict vehicles on a Parcel in a Residential Zone shall be prohibited;
- (2) For the purposes of the Section a “motor vehicle” means any vehicle which is subject to the Motor Vehicles Act and does not include farm vehicles;
- (3) Any motor vehicle which is in an inoperable condition, which has not been licensed for a period of one (1) year and which is not concealed or housed within a building, shall be deemed to be a derelict motor vehicle.

4.04 Accessory Buildings

- (1) No person shall construct or erect a building or structure which is accessory to a permitted use:
 - (i) which has more than 45 square metres (484 ft²) of floor space, or
 - (ii) where a building or structure which is accessory to a permitted use already exists on the parcel,unless:
 - (a) a principal building exists on the parcel; or
 - (b) a building permit has been issued for the principal building on the parcel pursuant to the applicable Regional District of Bulkley-Nechako building bylaw.
- (2) Subject to compliance with the Floodplain Management Bylaw No. 1300, any building or structure which is accessory to a permitted use and is used for the storage of marine equipment may be located along a lake or river without having to comply with the applicable required setback from the parcel line abutting the lake or river.

4.05 Where Minimum Parcel Area Requirements Do Not Apply

- (1) The minimum parcel size at subdivision in any zone established under this bylaw does not apply to:
 - (a) parks and ecological reserves;
 - (b) waste disposal sites;
 - (c) parcels being created which are to be used solely for unattended equipment necessary for the operation of:
 - (i) public utility uses with no exterior storage of any kind;
 - (ii) radio and television broadcasting antennae;
 - (iii) air or marine navigational aids,
 - (d) land dedicated to the Crown for public use.
- (2) The minimum parcel size at subdivision in any zone established under this bylaw does not apply to parcels created by the consolidation of two or more parcels.

4.06 Setbacks from a Natural Boundary

- (1) No building or structure, or part thereof, except a fence, shall be constructed, reconstructed, moved, extended or located within:
 - (a) 30.0 metres from the Natural Boundary of the Babine River, Buck Creek, Bulkley River, Cheslatta River, Chilako River, Cluculz Creek (below Cluculz Lake), Driftwood River, Endako River, Fleming Creek (below Tidesley Creek), Fulton River, Gaffney Creek, Hutudatehl Creek, Inzana Creek (below Inzana Lake), Kazchek Creek, Klawli River, Kotsine River, Kuzkwa Creek, Kwanika Creek, Manson River (below Tsayta Lake), Middle River, Morice River, Nation River (below Tsayta Lake), Nautley River, Nechako River (above Nautley River), Necoslie River (within Coast Land District), Nilkitkwa River, Omineca River, Parrott Creek, Philip Creek, Rainbow Creek, Silver Creek (below Kenny Creek), Sinkut River (below Sinkut Lake), Skaeniche River, Sowchea Creek (below Marie Creek), Stellako River, Stoney Creek (below Tachick Lake), Stuart river, Sutherland River (below Gravel Creek), Sylvester Creek, Tachie River, Tchesinkut Creek, Telkwa River, Tezzeron Creek, Tsilcoh River, Valleau Creek and Skeena River;

 - (d) 7.5 metres from any dike right of way, or structure for flood protection or seepage control.
 - (e) 45.0 metres from the Natural Boundary of the Nechako River (below Nautley River).
- (2) An addition to a building or structure that would increase the size of the building or structure by less than 25 percent of the finished floor area of the first story existing at the date of adoption of "Regional District of Bulkley-Nechako Zoning Bylaw No. 18, 1970, Amendment Bylaw No. 151, 1977" is permitted provided that the addition does not increase the degree of non-conformity with respect to the setback required by Section 4.06(1).

4.07 Land Acquired for Highway Allowances

- (1) Where the use of land or the siting of existing buildings and structures on the land ceases to conform to this bylaw as a result of land acquisition by the Ministry of Transportation and Highways for the purpose of a highway allowance, the remainder of the property is deemed to conform.
- (2) Where, as a result of land acquisition for highway allowance purposes that occurs after this bylaw comes into force,
 - (a) a parcel of land could have been subdivided into two or more parcels under this bylaw when the land was acquired by the Ministry of Transportation and Highways, and
 - (b) the parcel, as a result of the Ministry of Transportation and Highways' acquisition, can no longer be subdivided into the same number of parcels,

the parcel shall be deemed to conform to this bylaw for the purposes of the subdivision as though the land acquisition had not occurred, but only to the extent that none of the parcels that would be created by the subdivision would be less than 90% of the area that would otherwise be permitted by this bylaw.

4.08 Buffer Areas

- (1) Subject to the Mine Act, where buffer areas are required for uses permitted within a zone, such buffers shall be maintained between the use and the boundary of the parcel, as provided for hereunder. Where a parcel abuts a right-of-way or easement for public or quasi-public purposes, such right-of-way or easement may be deemed to be within the parcel for purposes of establishing the buffer area.
- (2) Within a buffer area:
 - (i) no building or structure may be erected or placed, except a fence, a wall or in the case of that part of the buffer area contiguous with the Highway, identification signs;
 - (ii) no waste disposal area and no vehicle parking areas shall be located;

- (iii) except where danger or a road is involved no plant material may be removed, nor may any substance of which land is composed be deposited or removed, except as part of a recognizable beautification scheme;
- (iv) the only roads permitted in the buffer area are those which cross it as close to right angles as practicable and connect directly with the road system contained within the remainder of the parcel.

4.09

Sight Triangle

- (1) No person shall, within a sight triangle as defined in Figure 1, grow or place, or permit to be grown or placed, any tree, shrub, plant, fence or other structure with horizontal dimension exceeding 0.6 metres (24 inches) within the site triangle above an elevation such that an eye 0.9 metres (36 inches) above the surface elevation of one highway cannot see an object 0.9 metres (36 inches) above the surface elevation of the other highway.
