**Subject:** Request for Letters of Support for Moricetown's grant apps to NDIT and BC Rural Dividend Fund

Dear All,

The Moricetown Band requests your letter of support by October 13th for each of the following grants:

1. Northern Development Initiative Trust - Economic Diversification Infrastructure Fund for \$250,000
2. BC Rural Dividend Fund - \$100,000 Single Partnership Stream

Both these projects are to undertake infrastructure upgrades at the RV Park and Campground overlooking Moricetown Canyon. The Moricetown Band has been operating the campground since the mid 1980s. We get tourists from all over the world signing the guest book and the Moricetown Canyon is a popular tourist location where many view Wet'suwet'en fishing in their tradition methods. The RVs are much larger and require more services than in the mid 1980s. We plan to upgrade the RV Park and Campground to make it accessible for people with disabilities. Also, we plan to upgrade the electrical (cost estimated at \$140K), the water and sewer and road system; install a playground, construct a new bathroom/shower building and upgrade the existing, construct trail systems to the Canyon and Esso store, create a viewing platform and chain link the canyon wall, create more pull thro sites. Over the winter months, thanks to a \$50,000 grant, the Advisory Committee will be doing the Business Plan and Site Plan for the RV Park and Campground. With your support, we hope to commence construction in April.

As you know, the RV Park and Campground is the only place in Moricetown where tourists can stay overnight so it generates significant economic activity and jobs for our town over the tourist season. Please see the attached letters that highlight previous support for this project through the Canada 150 Infrastructure Fund.

Thank you for your anticipated support. Please contact me if you have any questions.

*In the spirit of healthy communities,*

Best Regards,

3
