NEW BUSINESS

ADJOURNMENT

**REGIONAL DISTRICT OF BULKLEY-NECHAKO
Rural Directors Committee
SUPPLEMENTARY MEMORANDUM**

TO: Chairperson Benedict and Committee Members

FROM: Gail Chapman, Chief Administrative Officer

DATE: October 21, 2015

SUBJECT: Recreational Sites/Areas in the RDBN

In 2009, the RDBN completed a recreation inventory which includes the location and maintenance status of recreation sites which were previously maintained by the Ministry of Forests together with other recreation sites in the region. Also, mapping was created to identify the location of the sites. A copy of the 2009 memo will be attached as a Supplementary Agenda item for your reference. Mapping that identifies the location of sites has been developed and is also available should Rural Directors wish a copy.

Currently, of the 28 BC Regional Districts, 22 of them manage regional parks in some form or another. There is no single widely accepted definition of a "regional park" across the province or country. Each Regional Park and Rec Trails Master Plan document in BC contains a different definition unique to its region. Commonalities include management guidelines, permitted or intended uses, and levels of protection.

Staff contacted all Regional Districts in the Province in 2013 to inquire of Regional Districts if they have a Parks and Recreation service/function in place.

Not all RDs responded and RDs that did respond provided various levels of information. The information received is as follows:

Regional Districts:

Central Kootenay RD

- Operate Glacier Creek Regional Park (1986);
- Designated the Lardeau Valley Community Club as the Glacier Creek Regional Park Commission;
- No fees collected for use;
- The Commission arranges for site maintenance contracts which are approved by the RDCK Board of Directors;
- Estimate \$10,000-\$15,000 for yearly operations;
- Contractor must supply all equipment;

Parks and Rec.
October 21, 2015
Page 2

Central Kootenay RD (cont'd)

- Fines in place regarding offences (\$500);
- Information regarding cost, not received.

Columbia Shuswap RD

- Community Parks Service in place (1976);
- Service area boundaries are Electoral Areas; (A, B, C, D, E, F)
- Each participating electoral area is a separate sub-regional participating area;
- Maximum requisition \$0.30/\$1,000 of land and improvements;
- RD develops, maintains and operates community parks;
- Enforcement is by authorized RD personnel, CSRD bylaw enforcement officers and the RCMP;
- Offence tickets are submitted to offenders by CSRD;
- Parks Plan has been adopted which includes community parks and recreation policies;
- Parks include waterfront parks, recreation parks, trails, conservation parks, special feature parks on CSRD owned or leased land;
- Community Parks and Recreation Advisory Commissions are established in all electoral areas where a Parks Plan has been adopted;
- The Commissions advise the Regional Board re recreation policies;
- Regional District Parks staff oversee upkeep, maintenance, programs and development.

East Kootenay RD

- Operates four (4) regional parks, (Wycliffe, Tie Lake, Elk Valley and West Fernie – Regional Parks function (1988);
- Regional Parks function members are Electoral Areas and Cranbrook, Fernie, Kimberley, Elkford, Invermere and Sparwood;
- Operation and enforcement are dealt with by RD employees;
- Elec. Area parks and trail service in place as well;
- Separate electoral area service bylaws are also in place for other parks and trails in each electoral area (2010).

Parks and Rec.
October 21, 2015
Page 3

Nanaimo RD

- Regional Parks service in place for the purpose of acquiring, developing and operation of regional parks and regional trails (1989);
- Service area boundaries are all Electoral Areas, Nanaimo, Parksville, Qualicum Beach and Lantzville;
- Amended to include regional conservation areas as well;
- Bylaw maximum is \$400,000 annually.

Peace River RD

- Operates five (5) regional parks which were established over the last 40 years (1976);
- At this point, PRRD has resolved not to own, maintain or develop recreational trails;
- 2013 Regional Parks and Trails Master Plan recommends additional staff (1.5) and taxation of 1.06 to 2.64 per \$1,000 on assessed value of improvements only over 10 years in order that upgrades, expansions, safety upgrades and new parks can be implemented and developed;
- Operations and maintenance budget is estimated at \$3.2 m over ten year life of the plan;
- PRRD staff conduct annual park inspections; general site maintenance; vandalism repair re signage, playgrounds, picnic tables, fire pits and invasive plant management;
- Contract works are also conducted.

Powell River RD

- Regional Parks Service for regional parks and recreation services in place;
- Purpose is for establishment, development, operation and maintaining regional parks, recreational properties and facilities of a regional nature and associated community activities in the Regional District (1988);
- Service area is Electoral Areas A, B, C, D and E and the City of Powell River;
- Maximum taxation is \$0.10 per \$1000 of net taxable value of land and improvements.

Parks and Rec.
 October 21, 2015
 Page 4

Sunshine Coast RD

- Community Parks local service for the purpose of public parks, playgrounds, playfields, driveways, roadways, paths, trails, boulevards, bathing beaches, beach accesses including buildings, rec. facilities;
- Participants are Elec. Areas A, B, C, D, E and F (1975);
- Maximum taxation is \$0.50/\$1000 of net taxable value of land and improvements; also
- Separate Local Services have been established for recreational programs;
- Participants are Electoral Areas A,B,D,E,F, Town of Gibsons, the Sechelt Indian Government District and the District of Sechelt;
- Maximum taxation is \$0.15/\$1000 of net taxable value of land and improvements as assessed for the Regional Hospital District.

Thompson-Nicola RD

- Parks Service established for acquisition, development, maintenance and operation of regional parks (1979);
- Participants are Elec. Area A,B,E,I,J,L,M,N,O,P, Ashcroft, Cache Creek, Chase, Clinton, Kamloops, Logan Lake, Lytton and Merritt.
- Taxation is net taxable value of land and improvements (amount not identified).

During 2014, staff contacted the Province to inquire about funding provided to local groups/societies for upkeep and maintenance of sites in the region and were advised that in 2014 Lakes Outdoor Recreation Society received \$20,000, \$10,000 from the BV Credit Union; \$12,000 from the Burns Lake Community Forest. This is the only Provincial information that was received.

The Province also has indicated that it has provided hours of service through fire crew availability in removing dangerous trees, occasional brushing and outhouse and kiosk installation in the region. Signage was also improved/replaced in 2013.

Of note, Thompson-Nicola Regional District has adopted a bylaw which consists of two of its Electoral Areas, M and N, wherein a grant-in-aid specified area for recreation costs to "any public authority" is in place.

RECOMMENDATION:

(All/Directors/Majority)

Receive.

MEMORANDUM

To: Chair Benedict and Regional District Board
From: Jason Llewellyn, Director of Planning
Date: November 30th, 2009
Re: RDBN Recreation Inventory

PURPOSE

At the July 9th, 2009 Committee of the Whole Meeting the Committee asked staff to provide the Regional District Board with the following information.

- The location and maintenance status of recreation sites previously maintained by the Ministry of Forests.
- The identification of other recreation amenities in the region.
- How other Regional District deal with the maintenance and operation of recreation sites.

DISCUSSION

Recreation Sites, Recreation Areas, and Provincial Parks

The Regional District has compiled a database, and mapping, for each Electoral Area showing Recreation Sites, Recreation Areas, Provincial Parks, and Community Recreation Areas. The inventory did not specifically include trails; however, many of the Recreation Areas contain trails.

The inventory data is included in Schedules A, B, C, and D. More complete data is available from staff as excel spreadsheets. The Recreation Sites, Recreation Areas, Provincial Parks, and Community Recreation Areas are shown on maps for each Electoral Area that are provided under separate cover.

Data sources for the inventory include the Ministry of Tourism, Culture and the Arts (MoTCA), the Land and Data Resource Warehouse (LRDW), Regional District staff, and local community groups. The MoTCA warned that recreation data from their website and from the LRDW may not be accurate. The information they provided directly was only valid for 2009 as the management of sites is dependent on available funding.

Staff consulted with the following community group in putting together this inventory.

Cluculz Lake Community Recreation Association	Hospital Point Community Hall Society
MPS Community Centre (Mapes, Blackwater, Sob Lake)	Round Lake Recreation Commission
Braeside Community Recreation Association	Evelyn Community Association
Sinkut Lake Community Group	Southside Recreation Society
Collymount Recreation Commission	Tweedsmuir Recreation Commission
Francois Tchesinkut Recreation Commission	Eagle Creek Recreation Commission
Lakes Outdoor Recreation Society	Endako Rod and Gun Club
Fort Fraser Community Hall Society	Endako Hall Society
Fort Fraser Recreation Society	Glenwood Women's Institute (Driftwood Community Hall)
Decker Lake Recreation Commission c/o Bev Olinyk	Fort Trap and Hand Gun Club
Palling Recreation Commission c/o Herb Neville	Glenannan Community Association
Rose Lake Community Club c/o Louise Fisher	Fulton River Rod & Gun Club C/O BL Coldwell
Topley Community Club	Bulkley Valley Rod & Gun Club
Grassy Plains Community Hall Association	Tweedsmuir Park Rod & Gun Club

The inventory database and maps are organized as follows.

- **Recreation Sites** are specific sites under the jurisdiction of the Ministry of Tourism, Culture and the Arts, the majority of which are used for camping, (former Ministry of Forests campsites). These sites are categorized as Managed, Unmanaged, or Retired.

Managed Recreation sites are those managed by the MoTCA. Some are maintained by contractors or community groups. Some are user maintained.

Recreation sites that are Unmanaged are typically low priority sites that are available for use but are not managed in any way because of a lack of funding. Unmanaged sites are those that remain listed as recreation sites but are not intended to be managed or maintained in any way.

Recreation sites that are Retired are those that have been closed.

Managed Recreation Sites and Recreation Areas are described in Schedule A to this report. Unmanaged and retired Recreation Sites and Recreation Areas are described in Schedule B.

Recreation Areas are areas of high recreation value where the land use priority is identified as recreation by the province. Recreation Areas are categorized as Managed or Unmanaged. Managed Recreation Areas are managed by the MoTCA. Most are user maintained however, some are operated by community groups.

Recreation Areas that are unmanaged are listed as being Active, Retired or Pending in Schedule B. Some Recreation Areas that are Retired are areas that have been given Provincial Park status.

- **Provincial Parks** are established by the province under the *Park Act*. The list of Provincial Parks only includes those that are advertised for recreational use on the BC Parks website.

Provincial Parks are described in Schedule C to this report.

- **Community Recreation Areas** are beach areas, boat launches, campsites, swimming holes, day use sites, docks, or popular fishing areas or sites that are operated by a community group, informally used for recreation by the public, or are areas that have the potential for development as recreation sites.

These areas have been identified by RDBN Staff or Board members. Also, community input was obtained by sending letters to community groups across the Regional District asking for information on Community Recreation Areas. Board members are encouraged to inform staff of any Community Recreation Areas which should be added to the maps.

It is noted that this list is incomplete and that the data base is to be updated as information is available. Also, some provincial Recreation Sites are also listed as community recreation areas where specifically identified as important by a community group.

Community Recreation Areas are identified in schedule D to this report.

Other Regional District Recreation Services

Schedule E provides a very brief description of the services provided by a number of Regional Districts. It also provides information on the manner in which the services are provided and the facilities operated.

Please note that the information provided is based on a search of each Regional District's web site and involved limited discussion with staff to confirm, clarify, or otherwise correct the information obtained. It is provided to give a general idea of the involvement of Regional Districts in providing recreation services and the range of options in providing the service.

Sincerely,

Jason Llewellyn
Director of Planning

Schedule A
Managed Recreation Sites and Recreation Areas

NAME	ELECTORAL AREA	NUMBER	MAINTENANCE PROVIDER	DESCRIPTION	ACCESS	CAMP SITES
Canyon Cr Trail	A	REC3562	Bulkley Valley Outdoor Recreation Society (unofficial)		Unknown	0
Dennis Lake	A	REC3533	Darrel Leffers	This compact forested site offers 4 tenting sites and good access to the lake – boat launch & dock. Great views of Hudson Bay Mountain. This lake is the headwaters to the Copper (Zymoetz) River which travels to Terrace. A trail along the lakeshore leaves from the campsite, and nearby is the Silvern Lakes Recreation Trail (approx. 4km east).	Road (2 wheel drive)	4
Glacier Gulch Trail (Twin Falls)	A	REC0926	Blue Pearl Mining Inc. (Maintenance contracted out by MoTSA)	A very popular destination with tourists and locals. This Site can accommodate tent camping, however is mostly used as day-use for picnicking and viewing the spectacular Twin Falls coming down from the Lake Kathlyn Glacier on Hudson Bay Mountain and the Glacier Gulch Creek passing through the Site. This Site provides ample parking for RVs, and features a short trail to a viewing platform and creek. The Glacier Gulch BC Recreation Trail departs from this Recreation Site.	Road (2 wheel drive)	0
Jonas Creek	A	REC5567	Darrel Leffers		Unknown	5
Kitsegucla Lake	A	REC0765	Darrel Leffers	A semi-open recreation site on a popular fishing lake. Access may be prohibitive to larger RVs and trailers due to a steep access road. This site has a large parking area, boat launch, and dock. 4 campsites ideal for tenting. Spectacular views of the Rocky Ridge Mountain Range from the north end of the lake.	Road (2 wheel drive)	4
Smithers Community Forest	A	REC1619 1	Bulkley Valley Cross-Country Ski Club (winter) Smithers Community Forest Society (summer)		Unknown	0
Taltzen Lake	A	REC0527	Darrel Leffers	A small grassy 4 unit campsite with a boat launch. While canoeing and fishing on the lake, be sure to keep watch for beavers and waterfowl.	Road (2 wheel drive)	4

9

NAME	ELECTORAL AREA	NUMBER	MAINTENANCE PROVIDER	DESCRIPTION	ACCESS	CAMP SITES
Augier Lake	B	REC0513	Lakes Outdoor Recreation Society		Road (2 wheel drive)	9
Boer Mountain	B	REC32077	Lakes Outdoor Recreation Society	A large recreation area designated with emphasis on hiking and mountain biking. The parking area is at Kager Lake, where a hiking/biking trail circles the lake. Connecting to the Kager Lake trail is the Long Lake hiking trail. Biking trails connect Kager Lake and the bike park to the west (which has its own parking area and posted maps). At the top of Boer Mtn. (via Boer Mtn. Road) are trailheads for Starr Lake (hiking) and the Boer Mtn mountain bike trail - a single track trail down to Kager Lake.	Road (2 wheel drive)	0
CO-OP Lake	B	REC0501	Lakes Outdoor Recreation Society		Road (2 wheel drive)	4
Division Lake	B	REC0509	Lakes Outdoor Recreation Society		Road (motorhome)	3
