Dear Chair Miller and Board Members:

RE: BC Transit Initiative

On behalf of the Village of Burns Lake Council, I would like to invite the Regional District of Bulkley Nechako to create a joint service arrangement for funding the Northern BC Transit Initiative.

As the Provincial Government moves forward with the project, we wish to partner with the Regional District in funding and service delivery. In 2017, Council has committed to a funding \$12,500 as a maximum contribution. We believe that this service is of benefit to the entire region, and would like to see a joint service arrangement move forward, subject to voter assent. While this arrangement may not be possible within the coming budget year, we would hope to have such a function in place for the 2018 fiscal year.

Thank you very much for your time and for your consideration of this issue, if you require any further information regarding this issue, please do not hesitate to contact me.

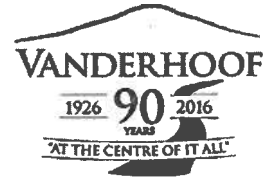

Sincerely,

A handwritten signature in blue ink, appearing to read "John Illes".
