

**Paid 12-month Internships in Northern B.C.
Local Government | First Nations Government | Business Development*
Deadline for application: February 14th 2020**

*Are you a recent post-secondary graduate looking to apply your education in a stimulating career?
Have you considered local government or First Nations government or Business Development?*

We are seeking motivated, educated, enthusiastic and civic-minded graduates to learn and develop skills in government administration. Explore this exciting career path with a one-year paid internship in either a local (municipal/regional) government, First Nation government across Northern B.C or Business Development within the Community Futures Offices*. See the map of our service region [here](#).

This 12-month paid internship program provides a high level of professional development and training that will prepare recent graduates for advancement opportunities and a fulfilling career in government administrations, business development, and/or economic development. A total of 15* internships are available in 2020 and are set to commence in May.

If you are seeking a challenge and want to apply your education and job-ready skills, consider this extraordinary opportunity to gain experience working in Northern B.C., participate in rural government administration and create a meaningful and rewarding career path.
