

Evacuation Rescind

Evacuation Rescinds are issued when the risk of the threat has passed and it is safe to return home.

Steps to take include:

1 Fill the gas tanks of personal vehicles.

2

Bring a minimum of 3 days' worth of food and essential supplies.

3

Purchase additional cleaning supplies in case there is damage to your home or property.

4

If your animals or livestock have been relocated, coordinate their safe return.
