1 PROJECT SUMMARY

The Regional District of Bulkley-Nechako (the Regional District) is seeking proposals from qualified proponents for the purchase and installation of one (1) 10,000 imperial gallon underground water storage tank for the purpose of rural fire suppression water supply. The water tank will be installed at the Luck Bay Fire Hall near Fort St James which is located within the Regional District.

2 BACKGROUND

The Regional District consists of eight (8) municipal fire departments (Town of Smithers, Village of Telkwa, District of Houston, Village of Granisle, Village of Burns Lake, Village of Fraser Lake, District of Fort St. James, and the District of Vanderhoof) and four (4) rural fire departments (Topley, Southside, Fort Fraser, and Cluculz Lake). The rural portions of these Fire Protection Areas are not serviced by fire hydrants, which makes water supply a large concern during fire suppression activities.

3 TERMS AND CONDITIONS

The terms and conditions applicable to this Request for Proposals are contained within this document. Submission of a proposal in response to this RFP indicates acceptance of all terms and conditions contained herein or in any addenda issued by the Regional District.

4 CANCELLATION OF RFP

The Regional District reserves the right to cancel this Request for Proposals at any time and for any reason and will not be responsible for any direct or indirect loss, damage, cost, or expense incurred or suffered by any Proponent because of such cancellation. A site tour is not mandatory, however if a proponent wishes, a visit can be arranged by contacting Jason Blackwell at the Regional District office at 250-692-3195 or 1-800-320-3339, or by emailing bid@rdbn.bc.ca

8 ALTERNATIVE SOLUTIONS

If alternative solutions are offered, the information should be submitted in the same format as a standard proposed response but should be clearly marked as an "Alternative Proposal". If a Proponent submits more than one proposal each must be separately and uniquely identified.

9 ARTIFICIAL INTELLIGENCE

Proponents must note in their bid documents if they have used any artificial intelligence in the development of their submission, and if so, confirm they have verified and validated the information received through artificial intelligence, prior to including it in their submission.

10 CHANGES TO PROPOSALS

By written notice submitted prior to the closing date, a Proponent may amend or withdraw its proposal. Upon closing, all proposals become irrevocable and may not be amended or withdrawn except where the Proponent and the Regional District have mutually agreed to a change for the purpose of entering into a contract.

Information obtained from any other source is not official and should not be relied upon.

11 PROPONENTS' EXPENSES

The Regional District will not be responsible for any costs incurred by the Proponents as a result of the preparation or submission of a Proposal pertaining to this RFP. The accuracy and completeness of the Proposal is the Proponent's responsibility. If errors are discovered, they will be corrected by the Proponent at their expense.

Proponents acknowledge that the Regional District, in preparation for the RFP supply of oral or written information to Proponents, review Proposals or the carrying out the Regional District's responsibilities under this RFP, does not owe a duty of care to the Proponents.

12 CONFIDENTIALITY OF INFORMATION

In accordance with the Freedom and Information and Protection of Privacy Act, the Proponents will treat as confidential and will not, without prior written consent of the Regional District, publish, release, or disclose, or permit to be published, released, or disclosed, any information supplied to, obtained by, or which comes to knowledge of the Proponents as a result of this RFP except insofar as such publication, release or disclosure is required by the laws of British Columbia.

13 OWNERSHIP OF PROPOSALS AND FREEDOM OF INFORMATION

All Proposals submitted under this RFP become the property of the Regional District and will

not be returned to the Proponent. The Regional District advises Proponents that parts or all their Proposals may be subject to the provisions of British Columbia's *Freedom of Information and Protection of Privacy Act (FIPPA)* and the *Community Charter*. Proponents who wish to ensure parts of their Proposals are protected from disclosure under the FIPPA Act should specifically identify any information or records provided with their Proposals that constitute a) trade secrets, and b) that are supplied in confidence, and c) the release of which could significantly harm their competitive position. Information that does not meet all three of the foregoing categories may be subject to disclosure to third parties. Please refer to the *Freedom of Information and Protection of Privacy Act* for further information. The Regional District cannot guarantee that any information contained within a proposal will remain confidential if a request for access is made.

14 ACCEPTANCE OF PROPOSALS

This RFP should not be construed as an agreement to purchase goods or services nor as an invitation to perform any service for the Regional District except as specifically outlined herein. Proposals shall remain open for acceptance by the Regional District for a minimum of 60 days after the RFP closing date.

The Regional District's intent is to enter into a contract with the Proponent who has submitted the best value proposal. The Regional District reserves the right to accept any or none of the Proposals submitted and will evaluate Proposals based on the best value offered to the Regional District and not necessarily the lowest price, using the criteria specified in this RFP.

The Regional District reserves the right in its sole unrestricted discretion to:

- a) Reject any and/or all irregularities in a proposal submitted.
- b) Waive any defect or deficiency in a proposal whether that defect or deficiency materially affects the proposal and accept that proposal.
- c) Reject any and/or all Proposals for any reason, without discussion with the Proponent(s); and
- d) Accept a proposal which is not the lowest price proposal.

In addition to any other provision of this RFP, the Regional District may, at its absolute discretion, choose not to consider a Proposal if the Proponent, or any officer or director of the Proponent, is or has been engaged directly or indirectly in a legal action against the Regional District in relation to any matter.

Proponents should not attempt to solicit any members of the elected Board of Directors or employees of the Regional District. Any solicitation may result in the Proponent being removed from consideration.

15 EVALUATION CRITERIA

Proposals will be ranked on a points basis with criteria including cost, qualifications (personnel), availability, experience, and quality of proposal. The Proposal Evaluation Form is a tool to assist in the evaluation process; however, it is not the sole determining factor in the evaluation process.

See Appendix A for the Proposal Evaluation Form

16 CONFLICT OF INTEREST

When submitting a Proposal, the Proponent must complete, sign and include with their Proposal a Conflict of Interest Disclosure Statement (Appendix "C").

The Regional District may reject a Proposal based on an actual, potential, or perceived conflict of interest.

The Regional District may reject any Proposal where:

- a) One or more of the directors, officers, principles, partners, senior management employees, shareholders, or owners of the Proponent, is an officer, employee, or director of the Regional District or a consultant involved in the procurement process, or is a member of the immediate family of an officer, employee or director of the Regional District or a consultant involved in the procurement process; or

A Proponent who has any concerns regarding whether a current or prospective employee, advisor, or member of that Proponent is, or may be, a Restricted Party, should request an advance decision by submitting to the Chief Administrative Officer (CAO), not less than ten working days (**September 24, 2025**) prior to the Closing Time, be email, the following information:

The Regional District may make an advance decision regarding whether the person is a Restricted Party, and whether the Regional District will reject a Proposal based on the information provided. If Proponent has identified an actual, perceived or potential conflict of interest regarding this RFP process or project, the Proponent must submit a Conflict of Interest Disclosure Statement (Appendix "A") to the CAO by **September 26, 2025**.

17 SUBCONTRACTORS

All subcontractors, including affiliates of the Proponent, should be clearly identified in the Proposal as per the form attached as Appendix "D"

A Proponent may not subcontract to a firm or individual whose current or past corporate or other interests, may, in the Regional District's opinion, give rise to an actual, perceived or potential conflict of interest in connection with the services described in the RFP. This includes, but not limited to, involvement by the firm or individual in the preparation of the RFP, or a relationship with any employee, contractor representative of the Regional District involved in preparation of the RFP, participating on the evaluation committee or in the administration of the Contract. If a proponent is in doubt as to whether a proposed subcontractor might be in conflict of interest, the Proponent should consult with the CAO prior to submitting a Proposal. By submitting a Proposal, the Proponent represents that it is not aware of any circumstances that would give rise to a conflict of interest, actual, perceived or potential, in respect of the RFP.

Following acceptance by the Regional District, the successful Proponent will be provided with written confirmation. A contract will be signed by both parties subject to negotiation between the Regional District and the Proponent.

21 MANAGER'S STATUS

The Manager will be the Regional District's representative during the period of operation and will observe the Work in progress on behalf of the Regional District for the purpose of ensuring that the Contractor maintains the site in a satisfactory condition, and for ensuring that the Work has been satisfactorily carried out. The Manager will have the authority to stop the Work whenever such stoppage may be necessary, in their opinion, to ensure the proper execution of the Work in accordance with the provisions of the Contract.

The Contractor will comply with such an order immediately. Neither the giving nor the carrying out of such orders thereby entitle the Contractor to any extra payment and the Regional District will not be held liable for any damages or any breach of laws, bylaws or

regulations that may result.

Any supervisor or worker employed by the Contractor or Sub-Contractor who, in the opinion of the Manager, does not perform their Work in a competent manner, appears to act in a disorderly or intemperate manner, or is intoxicated or willfully negligent will at the written request of the Manager, be removed from the site of the Work immediately and will not be employed again in any portion of the Work without the approval of the Manager.

25 ASSIGNMENT OF CONTRACT

The Contractor will not sublet, sell, transfer, assign, or otherwise dispose of the Contract or any portions thereof, or their right, title, or interest therein, or their obligations thereunder without written consent of the Regional District, except for assignment to a bank of the payments to be received hereunder.

26 RIGHT TO TERMINATE SERVICES

The Regional District may terminate any or all services upon 30 days' written notice. If such

notice is given, the Regional District will pay only for time and expenses incurred by the Contractor up to the termination date and for any reasonable time and expenses incurred to bring the services to a close in a prompt and orderly manner.

27 REGIONAL DISTRICT'S RIGHT TO CORRECT DEFICIENCIES

Upon failure of the Contractor to perform the Work in accordance with the Contract Documents, and after written notice to the Contractor, or without notice if any emergency or danger to the Work or public exists, the Regional District may, without prejudice to any other remedy they may have, correct such deficiencies. The cost of Work performed by the Regional District in correcting deficiencies will be paid by the Contractor or may be deducted from monies payable to the Contractor.

28 INDEMNITY

Notwithstanding the provision of insurance coverage by the Contractor, the Contractor hereby agrees to indemnify and save harmless the Regional District, its officers, agents and employees from and against all claims, demands, losses, costs, damages, actions, suits or proceedings by whomever made, brought or prosecuted and in any manner based upon, arising out of, related to, occasioned by or attributable to the activities of the Contractor, its servants, agents, sub-contractors and sub-operators, in providing the services and performing the Work of the Contract, excepting always liability arising solely out of the negligent act or omission of the Regional District.

29 INSURANCE

The Contractor, without limiting its obligations or liabilities, and at its own expense, must provide and maintain throughout the Contract term, the following insurances with insurers licensed in the Province of British Columbia in forms acceptable to the Regional District. All required insurance (except Professional Liability Insurance and automobile insurance on vehicles owned by the Contractor) shall be endorsed to show the Regional District as additional insured and provide the Regional District with thirty (30) days' advance written notice of cancellation or material change.

The Contractor's insurance policies shall include a deductible no greater than \$25,000 for each claim. The Contractor must provide the Regional District with evidence of the required insurance, in a form acceptable to the Regional District, upon notification of award and prior to the execution and delivery of the contract:

The Contractor shall ensure that all sub-contractors forming from this Contract meet the insurance requirements outlined above. It is the sole responsibility of the Contractor to determine if additional limits of liability insurance coverage are required to protect them from risk.

30 OCCUPATIONAL HEALTH AND SAFETY

The Contractor will use due care and take all necessary precautions to ensure the protection of persons and property at the Facility and will comply with the Workers' Compensation Act of the Province of British Columbia.

The Contractor must prepare a Health and Safety plan in accordance with the provincial WorkSafe BC. A copy will be submitted to the Regional District prior to commencing the Work.

31 CHANGES IN THE WORK

The Regional District, without invalidating the Contract, may make changes by altering, adding to, or deducting from the Work. The Contractor will proceed with the Work as changed and the Work will be executed under the provisions of the Contract. No changes will be undertaken by the Contractor without a written order from the Regional District, except in an emergency endangering life or property, and no claims for additional compensation will be valid unless the change was so ordered. The Regional District will entertain no payment for extra work or changes in any Contract unless a "Change Order" form is completed and signed by the Regional District and the Contractor.

If, in the opinion of the Regional District, such changes affect the Contract amount, these will be adjusted at the time of ordering the changes. The value of the addition or deduction from the Contract amount, and the method of determining such value, will be decided by the Regional District. The Regional District will use one or more of the following methods in deciding such value:
