### BACKGROUND

The Advisory Committee has been working hard over the last few months to begin organizing the 2026 Regional Business Forum, which is being hosted in Fraser Lake.

The selected date for the one-day event is **Tuesday, May 26, 2026**.

This year's theme, "**The Power of North: Where Collaboration Becomes Momentum**," emphasizes the role of working together to drive economic and community growth.

The Forum is designed to be an event where regional leaders, businesses, and stakeholders can:

- **Ignite:** Engage in meaningful discussions that unify industries and strengthen our communities.
- **Collaborate:** Share ideas and best practices that address the unique challenges and opportunities of the North.
- **Build Momentum:** Transform shared insights into actionable plans, ensuring that every business and community can benefit from the region's forward movement.
